TAXES

Collector Announces Bills Are In Mail

Tax bills for 1940 are in the mail, according to A. McSweeney, San Mateo county tax collector.

"If you have not received your statement by the end of this month," McSweeney said today, "I suggest that you communicate with this office at once, giving a description of your property and your forwarding address."

The first installment is payable November 1 and delinquent December 5. A representative will be at the Daly City Bank of America to collect taxes from 10 a. m. to 3 p. m. Friday, November 8. In Colma, a collector will be on duty at the bank between the same hours on November 6.

The total charge for taxes to be collected for the year 1940 is $3,547,451.20 as against $3,285,545.06 for 1939, an increase of $261,906.14.

Despite these figures, the 1940 tax rate of 1.0711 shows a decrease of 6 cents from last year's rate of 1.1316. This is possible because of an increase in the county's assessed valuation of more than three million dollars since last year.

Spare Tire Injures Colma Man

A freak accident caused by the explosion of an automobile tire sent Anthony Delfino, Colma, to the Junipero Serra hospital this week-end with a badly lacerated scalp.

The unusual incident occurred Saturday noon as Delfino was attempting to load a box of groceries into the back of his truck, which was parked near the Colma bank. As he moved a spare tire,

Local Groups Plan Hallowe'en Parties

Jack-O-Lanterns and Hallowe'en costumes are the main concern of Daly City boys and girls this week, as local organizations complete plans for Hallawe'en parties, October 31.

Daly City WPA Recreation department will conduct a street dance on Wellington avenue, Bruce H. Boynton announced today. With space roped off by the fire and police departments, the dance is expected to attract a record crowd of merrymakers.

Parties for the younger children will be held at the various recreation centers the same evening, Boynton said.

Hello, Folks

IS THE WORLD FINISHED?

Gramp and Bing, two new cartoon characters, are going to find out. They will Explore the World of 1960 for our readers in a short series of cartoon adventures that were inspired by the forward-looking philosophy of the General Motors Futurama at the New York World's Fair.

Gramp and Bing start their adventures in this issue. Turn to page 6.

Today's The Day, Men

Today is "R" day in the United States, when an estimated army of more than sixteen million men between the ages of 21 and 36 will register for possible peace-time military training.

Daly City polling places will be open between 6 a. m. and 9 p. m., today, with all precinct officers serving voluntarily without pay.

Every male resident of Daly City, regardless of nationality, must present himself for registration if he has reached his twenty-first birthday on or before today, and has not yet attained the age of 36.

Registration may be made at any precinct, preferably the one nearest your home, County Clerk W. H. Augustus announced.

Any person traveling or away from home must present himself to the nearest precinct board. Anyone ill but not in a hospital should send a competent person to the chief registrar for authority to act for him.

Five years in prison or a $10,000 fine, or both, is the penalty authorized for eligible men who fail to register or who state untruths to registering boards.

Every registrant must carry with him at all times after today his official certificate or be subject to arrest, fine or penalty.

San Mateo Tour Lunches In Daly City

Forty-one men and women "rediscovered" San Mateo county on Columbus Day, during the third annual county tour conducted by the San Mateo junior college adult forum.

The rich history of this area, its scenic beauty spots and industrial activities were chief attractions to the enthusiastic party which stopped in Daly City for luncheon at Estrada's Spanish Kitchen, Saturday noon.

Greeting the group were Councilman Henry T. Sundermann,

Fourth Of July Celebration, 1911

Yellowed with the years, an old Daly City Record clipping was brought into this office today by Councilman Henry T. Sundermann.

Dated July 7, 1911, less than two months after the incorporation of Daly City, the account describes in enthusiastic terms that year's Fourth of July celebration.

Although "when the morning of the Fourth dawned, a mist from the ocean caused the parade to be delayed half an hour," the procession was magnificent when "finally the sweet sunshine came in

Democrats To Stage Public Meeting Here

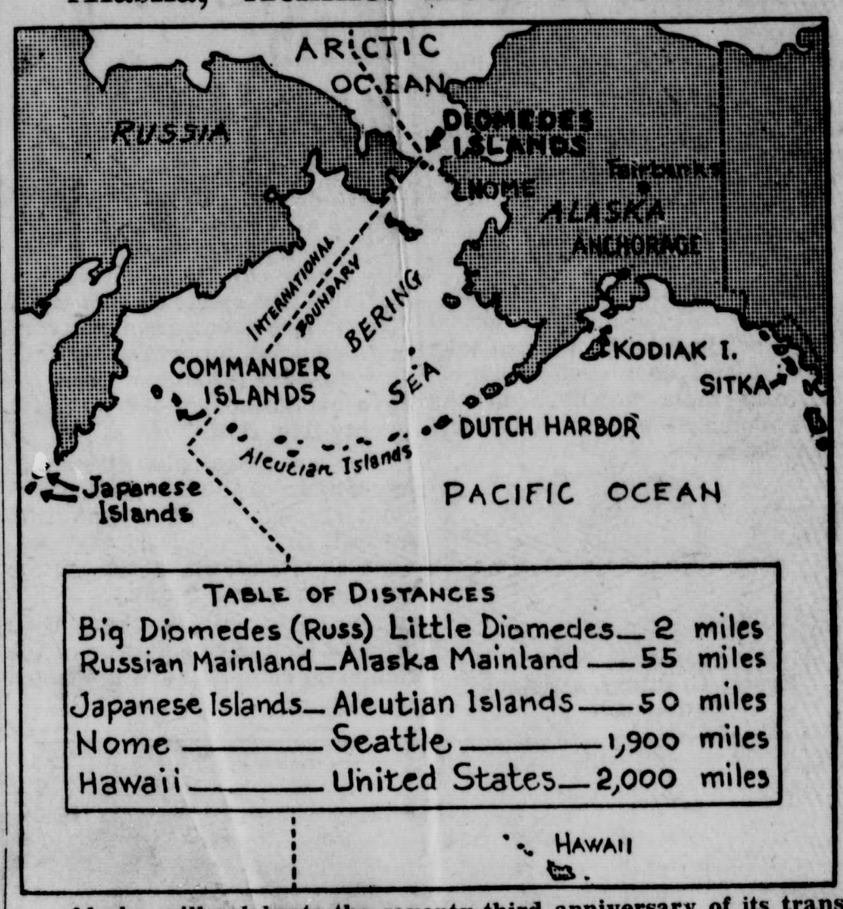
Democratic Campaign committee members of San Mateo county announced today that a public meeting would be held at 8 p. m., Friday evening, at Theatre hall.

Outstanding Democratic speakers will discuss phases of the current election, according to Frank Garibaldi, Roosevelt campaign manager of San Mateo county.

A series of rallies will be held soon at other points in the county. Garibaldi recently appointed city chairmen at a meeting of the Democratic Central committee in Millbrae. City chairmen for Daly City and Colma are Garibaldi and Peter J. Kelly.

The public is cordially invited to attend Friday's meeting.

Alaska, 'Achilles Heel' of America



Alaska will celebrate the seventy-third anniversary of its transfer from Russia to the United States, Friday. This huge area was purchased in 1867 for only $7,200,000. Military experts have termed Alaska the "Achilles Heel" of America. Nome is only a few hours' flying time from Siberia and from Japanese air bases off the tip of the Aleutian peninsula. The United States is rushing work on tremendous air, naval and army bases at Dutch Harbor, Kodiak, Sitka and Anchorage. The map above shows the location of the bases and the proximity of Russian and Japanese islands.

Two Boys Lucky To Escape Death

Two little boys who buried themselves Sunday afternoon at the bottom of an eight-foot pit at Jefferson Union high school were lucky to be alive today.

Richard Simini, 7, Redwood City, and James Kolle, 6, San Bruno, can thank the quick work of the Daly City fire department for their rescue.

The two youngsters were playing in the bottom of the excavation for Jefferson's new workshop foundation, when the earth suddenly caved in upon them, burying them up to their heads.

Baseball players who heard their cries summoned the fire department. The children were pulled to the top by Firemen A. Benassini and Henry Bortis, according to Daly City police, and were treated by the fire department's first aid unit.

Badly frightened, the children were little the worse for their harrowing experience.

Invite Officials To "Our Town"

As a climax to the growth of community interest in the local showing of "Our Town," William Smeltzer, manager of the Daly City theatre, today invited city officials and merchants to be his guests, Friday evening.

"The invitation has been issued because we feel sincerely that this great moving picture is worth the time of even the busiest men and women in Daly City," Smeltzer explained.

" 'Our Town' has more than an outstanding cast, more than a tender romance—it has the heartwarming, down-to-earth story of everyday life in a community such as our own to portray."

The film version of "Our Town," Thornton Wilder's Pulitzer prize-winning play, will be shown in Daly City Friday and Saturday only.

We Were Invaded By Our Own Army

Daly City officials are ready to repel any invasion . . . . including one from the United States army.

An alarm received at the police station, Thursday evening, sent armed forces from the city hall up the hill in pursuit of two heavy trucks filled with men, reported approaching the water reservoirs.

Going quickly "over the top," the home defense unit discovered to their chagrin that the trucks were in charge of U. S. army officials.

For the remainder of the evening, the army practiced drills with huge searchlights on top of the hill. Meanwhile police and water officials returned home to reassure alarmed residents that the lights playing around the horizon did not indicate a Japanese invasion.

Everybody Can See Mateo-Jeff Kick-off

Nobody likes to miss the kick-off.

Friday, nobody will. High school will be dismissed one-half hour early to enable Jefferson Union students to reach the San Mateo high school football field on time. It is expected that a large group will travel down to watch

D. C. Record Raises Bumper Baby Crop

The Daly City Record is raising a bumper crop of babies this year.

The addition of a new son to the family of Robert J. Keely, Record advertising manager, makes an even half dozen youngsters added to The Record's "junior staff" in less than two year's time—three to front office employees and three in the mechanical department.

Born at St. Joseph's hospital, early Friday morning, the youngest Record newspaperman will be named Roger James. He has one brother and one sister, (Bobby, 5, and Gerry, 2). Mr. and Mrs. Keely make their home at 1137 Hanover street.

COUNCIL

Ice Cream, Defense, Trucks, Mosquitos - - -

Ice-cream, home defense, mosquitos and fire trucks were all discussed by the Daly City council Monday evening.

City officials agreed to lend a helping hand to plans for Hallowe'en celebrations here the night of October 31. The council appropriated funds to engage an orchestra for a free street dance on Wellington avenue and to pay for ice-cream for the kiddies' parties at the General Pershing school and the local WPA Recreation offices. The parties will be held under the supervision of recreation officials, with police, fire and water departments extending their full cooperation.

Permission was granted to Fred Collins, acting as a committee of one from the local draft board, to use the smaller council room on the second floor of the city hall as permanent headquarters. Possible measures for home defense organizations were discussed.

A. J. Bodien, superintendent of the water department, reported that one hundred gallons of crude oil had been poured on stagnant

Colma Parish Plans Festival

One week from Saturday, parishioners of Holy Angels church, Colma, will sponsor a mammoth festival at Colombo hall to raise funds for the building of a new church.

Booths, a program of entertainment and dancing will comprise the evening. High-lights will be the presentation of a one-act, home-talent play under the direction of Miss Mary Belli and musical selections by Dante P. Lembi's Cowboy Band.

It Was Fire Prevention Week, But—

Instead of fire prevention week, it was fire suppression week for the local department, Fire Chief Andrew P. Chesney said today.

Spontaneous combustion in the garage of 345 Los Olivos avenue called out Companies Nos. 1, 2 and 3 last Wednesday. The fire started in some gasoline-soaked rags which had been used for cleaning a car and then thrown into a corner, according to the chief. The blaze was quickly extinguished.

County News

Registration High

Registration for the November presidential election hit an all-time high in San Mateo county today with 66,784 voters registered, according to County Clerk William Augustus. The new total represents an increase of 5858 over the 60,926 total for the August election.

Press To Aid Defense—

San Mateo County Press association established a "defense committee" to cooperate with the national defense program at a recent meeting in San Carlos. Albert H. Boynton, publisher of the Daly City Record, suggested the committee.

Next meeting of the association will be held in Daly City, where the publishers will be the guests of Mr. and Mrs. Boynton.

Two New Cabs Service Daly City

BELLI MOTOR COMPANY PLANS BANNER SALES YEAR

Plans for a big year have been made by the staff of Belli Motor company, according to John Soldavini, manager of the organization.

"Our complete line of commercial cars enables us to efficiently fill the needs of any business," Soldavini said today. "Chevrolet

John Soldavini, general manager

has an exceptionally fine line of pick-ups, deliveries, and other commercial cars for 1941. The special requirements of a purchaser are always given careful consideration. This type of service has enabled our business to grow from year to year."

The service department of Belli Motor company is operated by factory-trained mechanics, assuring the new car owner of the lowest operating expenses. Service work is facilitated by the use of modern testing and servicing equipment.

"Whether you're looking for a

Cab Company On Job Day And Night

"We have a cab ready to serve you at all times, day and night." Al Garibaldi, operator of Daly City's new cab fleet, pointed out to Daly City residents this week. "One to five persons can ride from point-to-point anywhere in Daly City for the same low price we have maintained in the past, twenty-five cents."

The low rates, plus the smart appearance of the new 1941 Chevrolet special de luxe taxicabs, make it easy for a Daly City resident to reach all parts of the city quickly and safely.

Trim, new uniforms have been ordered for the five drivers of the company, completing the modern appearance.

Congratulations!

"Congratulations!" John Soldavini, manager of Belli Motor company, compliments Al Garibaldi, operator of Daly City Cab and Ambulance company fleet, upon delivery of Daly City's two new Chevrolet special deluxe taxicabs.

Meritt Buys Truck

"We claim the distinction of being the most patriotic business in these parts," Bert Meritt, of Meritt Electric, said today. "Our new Chevrolet pick-up truck is painted red, white and blue."

"We purchased our pick-up from Belli Motor company because we buy locally whenever possible," Meritt said. "We find that Daly City businesses can cover just about all of our needs, and, by the same token, we can well take care of the electrical needs of this community."

Meritt has been in the electrical business for many years, the past six years at his present address, 26 Hillcrest drive. In addition to electrical contracting, radio repairing and sales and a line of power-driven tools are featured.

GARIBALDI ABREAST OF TIMES

The Daly City Cab and Ambulance company is keeping abreast of the times. Under the management of Al Garibaldi, the company has purchased two new 1941 Chevrolet cabs, reaching a new high in service and comfort for Daly City residents.

Home owned and home-operated, the progressive organization has become well-established in the community, serving a large number of people daily. The new cabs are stationed at the "top of the hill" at Hillcrest drive and Mission street. There is always a driver on call.

The big, new cabs are exceptionally comfortable, seating five people and the driver with room to spare. Garibaldi points out that five people can ride for the same price as one.

The company employs five drivers, all of them trained to give efficient, safe service. With good drivers, new cabs, and an eye to constantly improving service, the company is looking forward to a banner year.

"Call a Daly City Cab, RAndolph 9742, the next time you want to get someplace the fastest, safest way," Garibaldi remarked today. "We're proud of our new cabs and we're happy to give Daly City this new, unexcelled service. We sincerely wish to thank our many friends for their continued patronage, which has made this step of progress possible for us."

Above are shown seven reasons why Daly City cab customers receive quick, comfortable transportation. Two new special deluxe Chevrolet cabs and five fully-trained, efficient drivers are "at your service."

Bert Meritt, head of Meritt Electric company, on the job with his new Chevrolet pick-up truck. Enough supplies and tools for several electrical jobs can easily be handled in the new truck.

Mills Conclave On Recreation Set For Sunday

One of the largest recreation conclaves ever to be held in the State will convene at Mills college Sunday, as committee members from throughout Northern California gather to discuss "Community Organization."

The meeting will be part of a four-day training conference for WPA Recreation supervisors, October 17-20 inclusive, under the direction of State Supervisor E. Rodney Overton.

Arthur Ryan, San Mateo county recreation supervisor, and Bruce H. Boynton, assistant county supervisor and Daly City recreation leader, will be in attendance.

Directing craft instruction in ceramics will be Miss Jehan Dorn, local recreation leader who conducts ceramics classes at Jefferson Union high school Tuesday and Thursday evenings.

One of the most prominent Recreation executives of the county, George Hjelte, superintendent of the department of parks and playgrounds and recreation in Los Angeles, will act as technical consultant for the event. Other noted leaders in the recreation field will lead the discussion groups.

"We feel this is a splendid opportunity to obtain expert information on public recreation problems," Boynton said today. "The day's program begins at 11 a. m. and we invite all committee members to attend."

His Hat in the Ring

"Mahatma" Bailey, assistant football coach at Washington State college, was married recently, reports the American Magazine, and among his wedding presents were 26,000 old hats sent by his alumni friends. They all remembered that Bailey has a habit of throwing his hat down and jumping on it whenever his team faces a critical moment in a game.

the local gridders tangle with San Mateo in the second P. A. L. game of the season.

Details of the early dismissal were announced at the regular meeting of the student body executive board yesterday morning.

Under new business the executive board apponted Herb Poddig, Howard Viera and Bob Johnson to investigate the purchase of a trophy to be presented to the winner of the South City-Jefferson game. The trophy will be an ax mounted on a plaque with room to inscribe the names of winners at the bottom.

John Razzari brought up the discussion of the proposed sport blanket. This matter was referred to Coach Albert Biggs. Vice-president John Razzari conducted the meeting, in the absence of President Bill Rigler.

San Mateo Tour Lunches In Daly City

(Continued from Page 1)

County Supervisor H. H. Smith and Albert H. Boynton, publisher of the Daly City Record, each of whom spoke briefly on early days in Daly City and Colma.

The tour led up to the top of Daly's hill, where a fine view was had of the surrounding country. In the Lake Merced region, the party viewed the site of the famous Broderick Terry duel. At E. W. McClellan's in Colma, the tourists learned that this company produces more gardenias and heather than does any other nursery in the world.

The famous Sanchez adobe house, dating from 1846, was another point of interest, as was the collection of pictures and ships' equipment belonging to George Lewis, owner of the Clipper Ship lunch room at Shelter Cove.

Rubber Costumes

Rubber sheeting has been successfully used for stage costumes.

Automotive Industry Salutes Americas

"A Salute to the Americas—for Peace and Freedom" is the theme of the automotive industry's presentation at the forty-first annual National Automobile show at New York October 12 to 20. This is the first and largest of the nation's major auto shows. Pictured above is the mural which hangs at the show. It depicts a symbolic motor highway linking the United States with the 21 republics of the Pan-American union. The nine liberty bells shown (right) exemplify peace and liberty. The building is the Grand Central Palace in New York, scene of the show.

Football Trophy

The John W. Heisman Memorial trophy is awarded each year to the football player deemed the most valuable. It perpetuates the memory of a football coach and gridiron mentor at many colleges for 35 years. The Robert W. Maxwell trophy, also awarded to the outstanding player, is named in honor of Robert W. (Tiny) Maxwell, a former all-America player, sports writer and gridiron official. The August V. Lambert Memorial trophy, emblematic of leadership among eastern gridiron teams, was donated by Victor A. and Henry L. Lambert of New York city in memory of their father, an ardent football fan.

'Boom Antwerp'

Americans in Antwerp, Belgium, are sometimes puzzled at the sight of large yellow busses bearing the legend "Boom Antwerp." These are not posters for a booster campaign, but indications that the busses will take you to the town of Boom, 12 miles away

Australia's Wool Production

With Australia's wool production increased from 143,300 bales 11 years ago to 238,000 bales now, the country remains its own third best customer. Only France and Great Britain purchased more Australian wool last year than did Australia.

Tees for Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early niblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

Treaty of Ghent

At Ghent, in Flanders, on December 14, 1814, the famous peace treaty was signed which formally declared at an end the War of 1812 between England and the United States. News of the treaty did not reach this country until February and fighting was still going on in Louisiana.

Decadeers Install Officers At Banquet

Officers of the Decadeers club were installed at an elaborate banquet, Saturday evening, at Bal Tabarin in San Francisco.

The event, which all members attended, was the most outstanding affair planned by the organization since its reorganization.

The group will picnic Sunday at Golden Gate park.

"Going Away" Party For Eleanor Price

"What are you doing here?" were the surprised words of Miss Eleanor Price as four of her friends feted her at a surprise "going away" dinner party, at the London House, Friday. After enjoying a delicious English dinner the group was entertained with the comedy "Hired Wife" at the Orpheum theatre.

Miss Price was graduated from Jefferson Union high school in 1938, attended San Francisco State college for two years, and is now planning to attend San Jose State for the remainder of her college career. She left today to establish her home in Saratoga, with Dr. and Mrs. K. V. Francis.

Girls in the group were Misses Shirley Woltzen, Georgia Risley, Eleanor and Genevieve Price.

Beefsteak Is Favorite Dish

A survey of restaurants disclosed that beefsteak is the favorite dish in the United States, with corned beef and cabbage second.

Cooking Lesson

Left at home to cook his supper while his wife was at the movies, a 28-year-old husband in Prague, Czecho-Slovakia, became so alarmed when the porridge boiled over and filled the kitchen with steam that he rushed to the theater, calling loudly for his mate. The attendants objected to this disturbance of the performance, but the frenzied man threatened them with violence if they interfered. Charged at the police court with disorderly conduct, he was bound over for 12 months.

"OUR TOWN"

As Sol Lesser's film version of "Our Town," Thornton Wilder's Pulitzer prize winning drama of the typical American town, opens at the local theatre, the thoughts of Daly City citizens will turn to fresh consideration of our own community and what its history, tradition and advantages have meant to all of us.

This picture brings home a truth that should be obvious—the drama of life itself unfolds daily here, and we have a part in its making. Failures and achievements; petty selfishness and true generosity; tragedy and humor; intolerance and tolerance—all are here.

When Daly City shows characteristics of which we are proud, there are no hypothetical "they" to blame. We—you and I—are Daly City. Let's help make it and keep it the kind of a community we all admire—an American city with the integrity to be a place where freedom-loving people can live honest, useful and satisfactory lives.

Fourth Of July Celebration, 1911

(Continued from Page 1)

all its exquisite grandeur and continued during the day."

While the "sweet music sounded many a peal of harmony," the procession was led by city officials who "in their modesty, declined the use of carriages, saying they preferred to walk."

The Daly City Band, the Eagles drum corps of Colma-Vista Grande Aerie No. 1848, the Volunteer Fire department "all uniformed and wearing their new red hats," the Royal Neighbors "all dressed in white," the Lady Foresters and the Daly City ball teams—to say nothing of the Hog Raisers Protective association—contributed to the glorious event. Good wishes were read from President Taft.

"That grand old pioneer, Honorable John D. Daly, was introduced. Standing there with his beautiful silvery hair gleaming in the sunlight, he . . . seemingly lost sight of his own munificence in giving this landmark (a concrete waiting station where the Bank of America now stands) to the city, and with the deepest feelings of emotion thanked the people for the honor they had bestowed upon him, in naming the city."

In impassioned language the old Record clipping concludes: "It was the birthday celebration of Daly City, so to speak, yea, the coronation of King Harmony, that will guide the destinies of our new city to the brightest future. Many good people who had opposed incorporation, became interested in the beautiful demonstration and to help this along they could not help but contrast the good people in the jubilee, with the bloodthirsty and traitorous scoundrels, who endeavored to break it up."

New State Planned

A new plan has been devised for making a forty-ninth state of New York city, Long island, up-state New York and chunks of Connecticut and New Jersey.

Beginnings of Kindergarten

Maria Montessori, the Italian educator, studied at the University of Rome and graduated in medicine in 1894, being the first woman in Italy to do so. She then took up the subject of educating defective children. From the experience thus acquired, she came to the conclusion that similar methods might be applied to normal children of a lower age, and after a series of experiments on a small scale she extended them to a large number of children in private and public nursery schools in Rome. Her ideas on education have been set forth in several books which have been widely translated.

Pioneer Resident Succumbs To Illness

Charles Robert Verbrugge, pioneer resident of this community, died Friday at the French hospital in San Francisco, following a short illness. He was about 55 years of age.

A charter member of Company No. 5, Daly City Fire department, and a member of the Veteran Firemen's association, Verbrugge first came to this community about 1911. For nearly 28 years he made his home at 345 Bellevue avenue. Recently he moved to 80 Whittier street. He was a member of Molders Union 164, and a foreman at the Oakland Steel foundry.

Surviving him are his wife, Elizabeth, and three children, William Verbrugge, 62 Del Monte way, San Francisco; Ernest Koch, 142 Peoria street, and Mrs. Cecile Arteseros, 345 Bellevue avenue. His brother-in-law, William Bolger, 43 Risel street, is a Daly City police officer.

Funeral services were conducted Monday morning from the W. C. Lasswell chapel with mass at St. Michael's church. Interment was in Holy Cross cemetery.

CARD OF THANKS

Mrs. John H. Rice expresses her appreciation for the kind consideration shown her by friends and acquaintances at the time of the death of her beloved husband, John H. Rice. To W. C. Lasswell and company she extends thanks for their courtesy.

(Signed) Mrs. John H. Rice

Location of Thermostats

Five feet above the floor is considered a generally satisfactory height for the location of thermostats. They should be placed in locations protected from drafts and not in contact with a large volume of air. The rather bulky thermostat of yesteryear has been beautified, and their location today on the living room wall does not mar the decorative scheme.

Borrowed First Prize

Bill Ray Harrison, 11-year-old farm boy, walked six miles to an amateur theater contest in Tulare, Calif., borrowed a guitar from the assistant manager of the theater and won first prize playing and singing "The Old Apple Tree in the Orchard."

Longest Army Gun Range

In the American army the 16-inch gun has the longest range, approximately 30 miles. The Paris guns used in the bombardment of the city of Paris during the World war had a possible maximum range of 79.5 miles, the longest range of any gun known.

THE PRICELESS INGREDIENT

Washington's Farewell Address

Washington's "Farewell Address" was written primarily to eliminate himself as a candidate for a third term. It was never read by the President in public, but printed in Claypoole's American Daily Advertiser, Philadelphia, September 19, 1796. The address is in two parts. In the first Washington definitely declines a third term, gives reasons, and acknowledges a debt of gratitude for the honors conferred upon him and for the confident support of the people. In the second, more important part, he presents, as a result of his experience and as a last legacy of advice, thoughts upon the government.

"OUR TOWN" COMES TO DALY CITY

Brilliant Cast Plays In Stirring Human Drama

With an impressive cast which includes William Holden, Martha Scott, Frank Craven, Fay Bainter, Thomas Mitchell, Guy Kibbee, Beulah Bondi and Stuart Erwin, Sol Lesser's screen production of Thornton Wilder's Pulitzer Prize play "Our Town," will be given a gala premiere at the Daly City Theatre on Friday night. This new picture was staged by Sam Wood, who directed the great international success, "Goodbye, Mr. Chips," and it is being released through United Artists.

As is well known, "Our Town" was presented without scenery or props on the stage. This, of course, was due to the fact that it was impossible to create the illusion of an entire town on a single stage. On the screen, of course, such an expedient was unnecessary, for the scope of the camera and the studio could easily materialize what was in the author's- imagination.

Pictorial Drama

The whole pictorial element, as a matter of fact, received heavy emphasis from Lesser. Before "Our Town" went into production, William Cameron Menzies, the production designer who had just finished "Gone With The Wind," figured out every camera angle and made 1200 sketches. Each scene was sketched from every possible angle, and Director Wood rehearsed not only the principals in the picture but the camera as well, before each scene.

Exciting Data

Other interesting statistics concerned with the production of "Our Town" turn up the information that Frank Craven, who plays the narrator, walked eight miles in front of the camera. Craven only appeared in two shots with other players—one with Miss Scott and Holden, the other with a bit player. In the wedding scene, William Holden and Miss Scott were married 19 times. In this scene, Miss Scott received her first screen kiss. The wedding dress she wore was the one her mother was married in. It was so fragile she was unable to sit down during the filming.

The transposition from one period of time to another was handled exactly as it was on the stage. Frank Craven effected the flashbacks with the help of the versatile camera. When, for instance, in his guise as the druggist, Craven was required to turn back the scene to twenty-five years before, he says: "At that time my drug store looked like this . . ." and proceeds to replace the shining chromium fittings with the older trimmings of a pharmacy.

Companion feature on the new bill will be "The Man I Married," with Joan Bennett and Lloyd Nolan.

Hero William Holden and heroine Martha Scott are very young when they discover Romance in Sol Lesser's film production of "Our Town," based on Thornton Wilder's Pulitzer Prize Play and due for its first showing at the Daly City theatre, Friday evening.

Most Favored Nation

Under the amended 1930 Tariff act every nation is entitled to any reduction in duty given to any other nation, unless the President proclaims that a certain country is discriminating against our commerce. Such a proclamation was made by the President in regard to Germany. Germany is the only country to whom the most favored nation tariff policy is denied.

Allied Youth Leader Addresses Jefferson Union High School Students

W. Roy Breg, executive secretary of Allied Youth, nationally famous organization, was enthusiastically received by Jefferson Union high school students at last Tuesday's assembly. The student body was so impressed with the poise, dignity and integrity of his presentation of the alcoholic problem that a committee has been appointed to investigate the movement further.

Members of the Jefferson committee include Robert Bybee, Walter Chreisten, Barbara Davis, Bill Freeman, Robert Grimes, Mary Heywood, Gene Pidgeon, Bill Rigler, Enes Sambuceti and Pamela Yorkman.

School officials and students expressed their gratitude to Breg for his visit. Jefferson was the first high school in the entire San Francisco Bay area to hear the outstanding leader of youth, who is touring the Western states.

"Death Joins The Women's Club"

"Death Joins the Woman's Club," but San Carlos will have none of it.

Anger flared in the Peninsula city this week as civic leaders and citizens alike decried a new mystery thriller by Charles Saxby with a locale laid in "San Carlos, California."

Although San Mateo county is not mentioned as the location, the scene of the book presents a sufficiently exaggerated parallel to arouse suspicion in the minds of San Carlites that more than mere coincidence is involved.

Certain "unkind" remarks in the novel referring to the town as a "foothill morgue," the council as "that bunch of crooks" and the climate as a "waiting room for comfortable death," have ired city officials no end. Stung by these and similar cracks, residents have wired their vigorous protests to the publishers.

Daly City Dramatics Club Launches Season

Inaugurating the start of actual production work in their fall program, the Daly City Dramatics club held a successful dinner-dance on Thursday evening at San Francisco's famous Tahitian Hut.

Guests included Mrs. Paul G. Selmi, Elmer Shannon, Miss Frances Poket, Alfred Bulf, Miss Lucille Bean, M. O'Connor, Mrs. Gertrude Jones, Ralph Capps, Jack Murray, Miss Ruth Morris, Mrs. Marie Bell, and Bruce H. Boynton.

In charge of the event was Miss Marie Burton, local WPA Recreation dramatics leader, who says that several other social evenings are planned for the club this winter.

Dramatics club meets every Tuesday and Thursday evening at Jefferson Union high school, and is open to the public. There is no charge of any kind.

mer coroner, as chairman, and William Jonas, Brisbane realter, as secretary. Headquarters will be located in the Daly City city hall.

Dr. McGovern disclosed that two of the five members originally selected — Frank Robinson, South San Francisco druggist, and R. L. Crane, Daly City school superintendent, have tendered their resignations because of inability to serve due to press of their regular business.

Their places have been filled by two of the alternates, J. J. Jennings, South San Francisco druggist, and Jonas.

Other members include Fred A. Collins, Colma, and Charles Drew, South San Francisco.

Chief duty of the local boards will be to study the detailed questionnaires filled out by conscripts to determine such questions as dependents, employment, fitness for military service and health. Their first task, scheduled to start tomorrow, will be to assemble registration cards and to assign a serial number for each card.

Movie Fan

On a visit to the penal colony on Devil's island, French Guiana, Cameraman Pierre-Andre Martineau discovered the world's most enthusiastic movie fan. He was a convict whose body bore tattooed portraits of Garbo, Marlene Dietrich, Mary Pickford and other film stars. His gallery is now complete; he has no more room for pictures.

Satire and National Life

Satire, like the poet's Lily of Malud, is born of corruption; and the "secret mud" that generates it is full of poisonous germs of suspicion, envy, hatred, malice and all uncharitableness. In the literature of a nation satire is generally one of the latest forms of self-expression to be developed and brought to perfection. For the natural impulse of literature, and especially of poetry, is the celebration of what is beautiful and revered.

He scours the marshes for sick ducks, and every year cures thousands of their most deadly disease—western duck sickness. The plague was brought on when irrigation projects took away too much water.

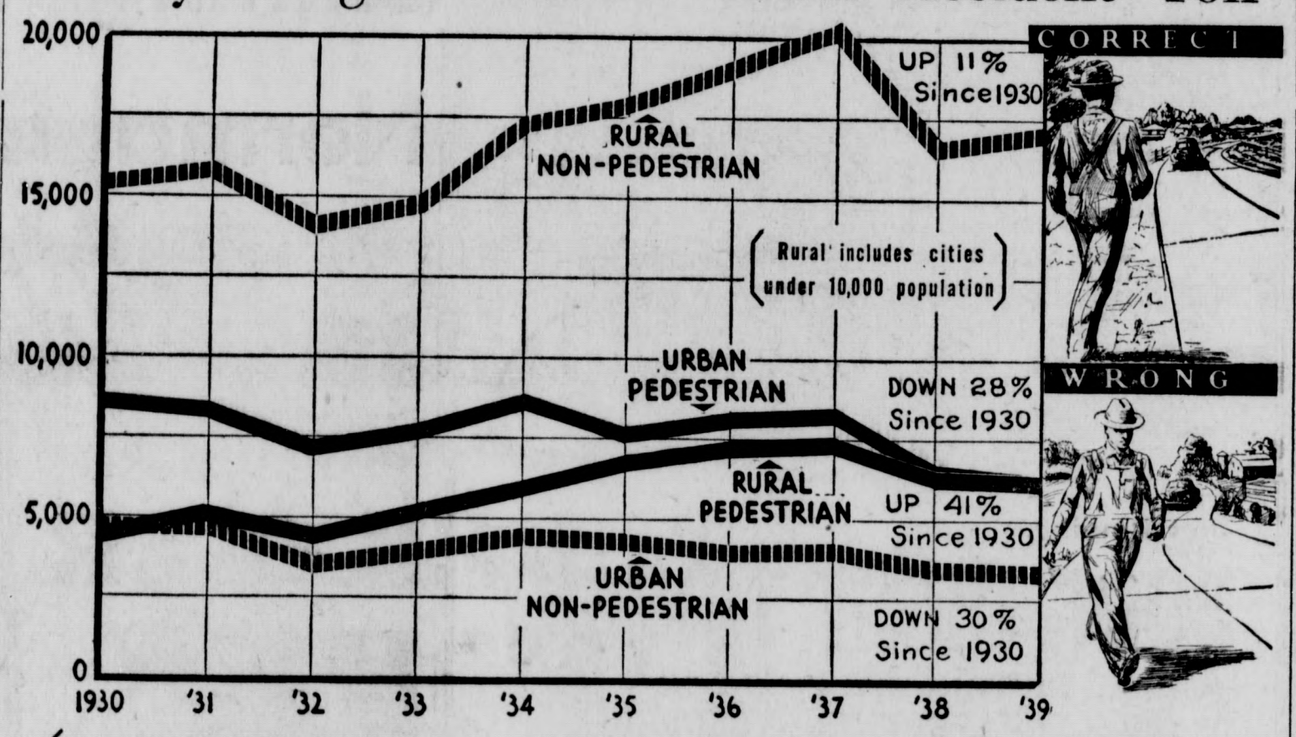
Safety Congress Studies Rural Accident Toll



(Source: National Safety Council approximations based on U. S. Census Bureau data, and city and state reports)

While city pedestrian deaths have dropped 28 per cent in the last 10 years, rural pedestrian deaths have gone up 41 per cent. This trend is one of the most important problems being considered at the National Safety congress which was in session October 7-11 in Chicago. More than 10,000 persons were addressed by 582 speakers at this conclave. The chart above shows the mounting death toll in rural pedestrian accidents during recent years. On the right, cartoons show the correct and wrong way to walk along a road. This lesson is important, because of the 6,000 rural pedestrians killed last year, two-thirds were either violating a law or committing an obviously unsafe act.

Jeff Gives Tough Competition To San Jose Squad

San Jose, heavy favorites to grab the P. A. L. championship, were surprised, Friday, by the tough competition given them by the Jeff hard hitting eleven. After four quarters of smashing battle they cooled Jeff, 12-6.

All of Jeff's honors go to Lekoff's superb passing and kicking. In the third quarter Lekoff returned the ball 50 yards to San Jose's 10 yard line. Jeff was a little inexperienced and didn't have the necessary punch to put over a touchdown at this point of the game.

Again Lekoff came into the limelight as he passed the pigskin 20 yards to Poddig, who brought the final score 12-6.

Favored San Jose was carried to victory by halfback Harnan, who scored both touchdowns.

Jeff's eleven gridders came on the field in the following line-up:

Right-end, Poddig; left-end, Dyer; right-tackle, Keelty; left-tackle, Faulk; left-guard, Schuer; right-guard, Hertz; center, Rigler; full-back, De Martini; left-half, Razzari; right-half, Ruppert; quarter, Ferrando.

Sheriff's Posse Wins Third Place

Taking part in San Francisco's Columbus Day observance and parade Sunday the San Mateo county sheriff's posse won third place honors in the mounted unit division.

Baseball Pitcher Hurt In Crash

Harry Krause, veteran baseball pitcher, was in a critical condition today as the result of a terrific head-on automobile collision early Saturday evening on Junipero Serra boulevard, one mile north of the El Comino Real intersection.

Krause, one-time southpaw pitcher for the Philadelphia Athletics and the Oakland Baseball club, crashed his car into one driven by Russell Canfield, 120 Lake street, San Francisco. Krause; his wife, Mrs. Mary Krause, and Canfield, all seriously injured, were rushed to the Junipero Serra hospital by the hospital ambulance, and were transferred on Sunday to Mary's Help hospital in San Francisco.

Height of Chimneys

Height plays a considerable part in the efficiency of a chimney, many authorities maintain. For this reason, chimney heights of 30 to 35 feet as a minimum are recommended. Any arbitrary minimums must be considered in the light of local conditions, however, as overhanging trees, the height of the chimney above the roof, and strong prevalent winds can cause disturbance in the draft action.

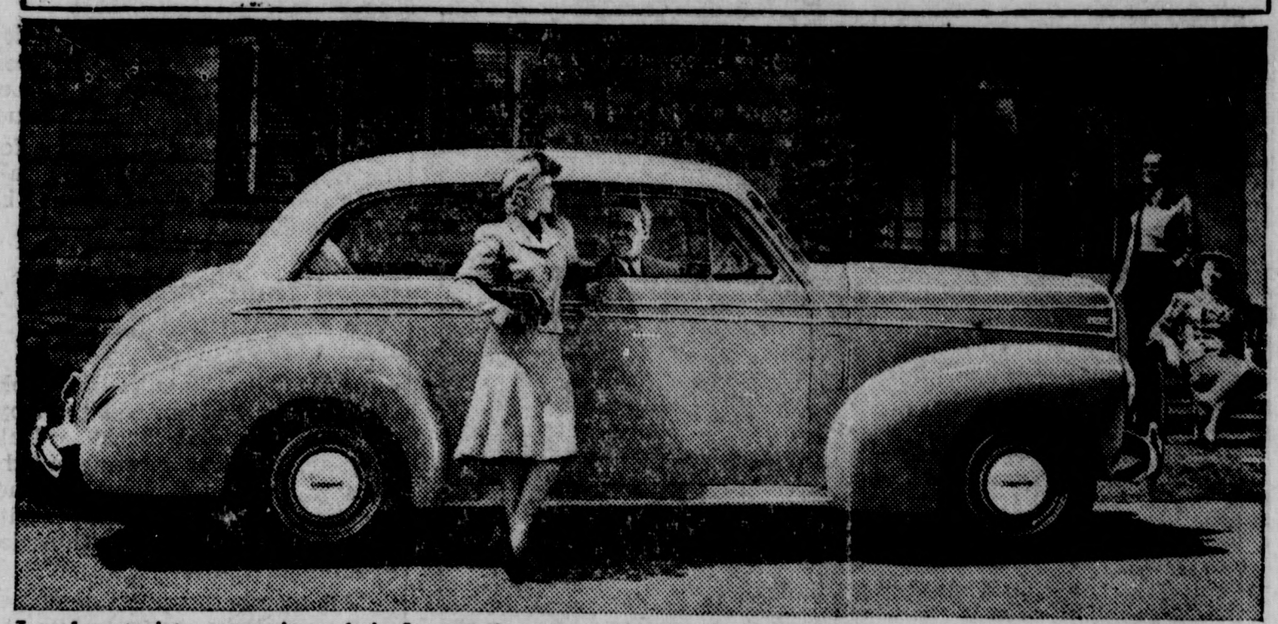
Hatless Fad Not New

The hatless fad, which was at its height in '32 and '33, was neither new nor collegiate. It dated back before the American Revolution to the time when English dandies carried their hats in their hands to avoid mussing their curled and powdered wigs.

Proper Electrical Service

The home owner, when buying electrical equipment, is cautioned by the Federal Housing administration to bear in mind the type of electrical service he is to receive, as many electrical appliance usable on direct current will not operate on alternating current. Localities where direct service is supplied are declining, but it is still a factor.

1941 Champion Takes a Bow



Local motorists were given their first peek at the new 1941 Studebaker Champion two-door Club Sedan this week. The new edition of the car that has successfully crashed the lowest price field is larger, has more room, boasts of a more powerful engine, and yet retains the economy of operation that made it a sweepstakes winner in the 1940 Gilmore-Yosemite Economy Run with an average of 29.19 miles per gallon. The design is by Raymond Loewy.

Play Ice Polo At Winterland

Ice Polo, San Francisco's most popular indoor winter sport, is again under way at Winterland, the big ice rink at Post and Steiner streets. Fast and hilarious, the game is being played each Monday evening during public skating sessions.

Two short periods constitute the time of Ice Polo. The play has much of the action and the thrill of ice hockey, but the "puck" is a soft rubber ball, which adds to the fun and eliminates danger to players. Recruited among skating patrons of Winterland, six people are on each team.

A. J. ("Red") Glendenning, widely known hockey player who is affiliated with Winterland as an instructor, declared that "anyone who knows how to skate can get into an Ice Polo game."

Many other special activities are now enlivening the thrice-daily public skating sessions at Winterland.

Colma Parish Plans Festival

(Continued from Page 1)

Degliantoni ("Johnny Dell") will play for the dance.

Catholic Societies of the Married Ladies, of the Young Ladies Institute, of the Italian Catholic Federation, and of the Holy Name have their committees hard at work on the festival and bazaar.

General chairman is Mrs. Thomas Callan, with Miss Rose Mary Flanagan as secretary.

Games will be in progress during the evening and refreshments served. The affair begins at 8 p. m., October 26.

The Colma parish includes Colma, part of Daly City, Rockaway Beach, Sharp Park and Pedro Valley.

Spare Tire Injures Colma Man

lying on the truck floor, the tire suddenly blew up in his face.

The explosion hurled Delfino to the pavement, while parts of the tire flew for several feet in every direction.

The hole ripped in the inner tube was more than a foot long, according to Daly City police, who surmise that Saturday's hot sunshine had overheated the air in the tire, raising the pressure.

Delfino was rushed to the Junipero Serra hospital, where four stitches were taken in his scalp.

Universal Press Turns In High Scores

Universal Press again turned in high team scores for the night, taking Model Appliance two games in the 9:30 division of the Merchants league at the Burlingame Bowl on Tuesday. High team score was 867 and high series was 2445.

Milo's Butchers won two games from Gallenkamps, while Curry's Barbers took the first game away from Fisher's Boys, the league leaders.

COOKING SCHOOL IN DALY CITY - OCTOBER 22-23

Home Economist To Present Many New Ideas

With meals to plan and prepare 365 days of the year, Mrs. Homemaker is always in the market for new suggestions for breakfast, luncheon or dinner. The Daly City Record has anticipated this need for a new culinary dress for the "three-a-day" and is bringing to Daly City an interesting version of the Happy Cooking school.

On next Tuesday and Wednesday afternoons the stage of the Daly City theatre will be transformed into a modern, efficient kitchen. Miss Carolyn Carr, an expert in the art of cookery, will have the ingredients all assembled, ready to turn them into some intriguing new dishes, to add interest to the routine work of meal preparation. And each recipe is to be simple and inexpensive to make, too.

It's amazing what she can do with a bit of flour, a touch of baking powder and the right amounts of this and that! A few strands of celery, a bunch of these, a whisper of those and a dash of dressing and lo! a new, fresh salad. So come, bring your friends and enjoy two carefree afternoons watching someone else work.

The local merchants of Daly City have cooperated most thoroughly with The Record to bring you the latest in equipment for your close inspection.

You and your friends are cordially invited, so check the

An unusual SHRIMP-CELERY SAUCE for poached eggs or waffles

by Dorothy Greig

IF there's one thing that makes me purr it is to turn a prosaic everyday food such as cold roast beef, eggs or carrots, into a dish that's really interesting. One of my pet ways of doing it is by means of sauces. Not complicated sauces. But easy ones that are fixed mostly from condensed soups already in themselves beautifully seasoned.

Here, for instance, is one such sauce that transforms simple poached eggs into a luncheon or supper dish you would be proud to set before anyone. It is delicious poured thickly over waffles, too. Or even over plain toast. Keep this in mind for those times when you must rustle up a meal or stretch out a meal for unexpected guests and "my dear, there was simply nothing in the house to eat." Well, the guests will never suspect it.

Shrimp and Celery Sauce, over Poached Eggs

1 tablespoon butter
1 cup shrimps
1 can condensed celery soup
¾ cup milk or cream

Melt the butter and sauté the shrimps. Then add the celery soup with milk or cream and heat. A little chopped parsley may be added just before serving.

Wood for Matches

About 300,000 mature trees are needed each year to manufacture 287,000,000,000 wooden matches in the United States.

Baked Orange Marie

By BETTY BARCLAY

For this month's prize recipe I am choosing "Baked Orange Marie", a dessert that has been popular with thousands for many years, but may be new to you.

It is economical, easy to prepare, healthful and surprisingly delicious. Try it yourself and I am sure you will serve it again and again.

Baked Orange Marie
(Serves 4)

4 Sunkist oranges

With a sharp knife cut off tops and remove meat from oranges, leaving shells clean. Combine orange meat with:

8 dates, stoned and shredded
4 teaspoons chopped walnuts
4 teaspoons seeded raisins
4 teaspoons grated coconut

Sweeten to taste. Fill orange shells. Bake in a dish with ½ inch of water in bottom, in a slow oven for 45 minutes. Take out of oven and top oranges with a meringue made from:

1 egg white, stiffly beaten with
2 tablespoons sugar

Sprinkle meringue with coconut and return oranges to oven to brown. Serve hot or cold. A marshmallow may be used to top each orange in place of meringue.

New Use for Microscope

A new use has been found for the electron microscope, by Drs. Abner Wolf, David Cowen, and Beryl Page of Columbia university. This new super-sharp microscope is able to reveal the exact location, in the cells of glands, muscles, and other tissues, of vital minerals, such as calcium and phosphorus.

Population Density

Washington, Oregon, Idaho and Montana are less densely populated than Russia.

Miss Carol Schoning, "Aquabelle," Honored At Surprise Dinner-Dance

Miss Carol Schoning, recent "aquabelle" of Billy Rose's Aquacade, was guest of honor at a surprise dinner-dance last Saturday evening at Uncle Tom's cabin.

Celebrating the completion of her successful 18-weeks' engagement with the popular Exposition show, the party was given by her mother, Mrs. Catherine Ottoboni, proprietor of the Tanforan Flower shop, 6178 Mission street.

Centerpiece at the long table was a cleverminiature replica of the famous Exposition tank, with tiny swimmers plunging into the water from a gardenia-surrounded bank.

Guests included Misses Helen and Florence Johnson, Florence Christen, Clovis Saporita, Evelyn Ciemoli, Christine Guenter.

Parden Zurgig, George Drew, Arthur Crocker, Bert Lasswell, Al Hansen, Roy Johnson, Freddie Rohl.

Mr. and Mrs. Al Smeltzer, Mr. and Mrs. Mervin Crocker.

Tractor Romance

When Father's day rolls around next year a tractor on the farm of J. M. Templeton, near Colorado City, Texas, should not be forgotten. In fact, the tractor was almost a mother. A wren built her nest beneath the seat. Heat from the motor kept the eggs warm all day while the wren waited in a tree and took over the job at night. After the eggs were hatched the tractor was brought in at noon daily so the mother could feed her chirping offspring until the family was strong enough to fly away.

About Town

Mr. and Mrs. Frank Simonick, 6925 Mission street, are the proud parents of a son born, October 2, in San Francisco.

Leo Greiner, Daly City, and Catherine Cardini, San Francisco, filed a notice of intention to wed, in San Francisco last week.

William A. Marchington, San Carlos, and Marian Millett, Daly City, applied for a marriage license, last week.

Walter F. Shaw, and Doretta P. Wilson, both of Daly City, applied for a marriage license recently in San Francisco.

Mr. and Mrs. Bert McKenna, 412 Bellevue avenue, are the proud parents of a baby daughter born, Friday, at Stanford hospital. The McKenna's have one other child, a four-year-old son, Bert jr.

Word has been received from New York City that Mr. and Mrs. W. E. Thomson, 613 Bellevue avenue, are having an enjoyable vacation trip in the East. They are now on their way to Washington, D. C.

Members of La Fiesta club will meet, Friday evening, at the home of Mrs. Eleanor McDonald, Hanover street.

Bob Wall and a group of friends spent Sunday fishing at Martinez. They had a good catch and brought home several large bass.

DALY CITY - COLMA PTA NEWS

Crocker PTA Plan Dessert Whist

Crocker PTA will hold a magazine dessert whist at 1:30 p. m., Tuesday, at Crocker school, it was announced today. The whist will be preceded by a "hot-dog" sale at noon, under the chairmanship of Mrs. Ann Eason, for the benefit of the philanthropy fund.

Sew and Sew club will be entertained at 10:30 a. m. tomorrow by Mrs. Florence Thorsen at the home of her sister, Mrs. Agnes Prescott, 315 Peoria street. Sew and Sew meeting for October 24 will be held at the home of a new member, Mrs. Eva Hobbs, 847 Hanover street.

The October meeting of the unit was called to order last Tuesday by President Hazel Cassasa, with Mrs. George Beanston jr., seventeenth district officer, as chief speaker. A cake sale preceding the meeting netted several dollars toward the life membership fund.

Next meeting will be held at Jefferson Union high school on the second Tuesday evening of November. It will be a joint session with Jefferson Union high school, Woodrow Wilson, General Pershing and probably Colma PTA's.

Mothers Club Elects Officers

At the second annual election of officers for the Mothers club of Our Lady of Perpetual Help school, Mrs. Sophie Klingler was re-elected president; Mrs. Elsie Thomson named vice-president; Mrs. Lorraine Wall, recording secretary; Mrs. Josephine Kelly, treasurer, and Mrs. Musante, financial secretary.

Mrs. Klingler appointed Mrs. Marion Schubert as chairman of the sewing circle and Mrs. Byrne as marshal for the year.

Father James Bergin, chaplain of the club, extended his congratulations on the group's recent anniversary. The various officers of the past year turned in their reports, all of which indicated that the club had been an outstanding success during its first year.

The monthly whist party will be held Friday, October 25, with Mrs. Marion Schubert as chairman. The public is cordially invited.

American Elevators

There are about 195,000 freight and passenger elevators in American office buildings, hotels and warehouses, each of which travels about 5,000 miles a year.

Pershing PTA Officers Atend District Meet

Mrs. Virginia Davidson, president, and Mrs. Emma D'Isep, treasurer, will represent General Pershing PTA at the seventeenth district meeting, Friday, at Pescadero.

The unit's sewing group met last night at the home of Mrs. I. Crespi, 55 Partridge lane. Several members of the group who were unable to attend the evening sewing were entertained last Wednesday afternoon by Mrs. Davidson at her home, 581 Hanover street.

Seventeenth District Plans Coastside Meet

Seventeenth district PTA will hold their first regular Coastside meeting at 10:30 a. m. Friday in Pescadero.

Special information will be given on measures coming up at the November election, and the recommendations of the CCPT read on various phases of the election which affect child welfare.

Mrs. E. K. Strong, state president, will be the guest speaker.

State President To Speak To District

Mrs. E. K. Strong, state president of California Congress of Parents and Teachers, will be the honored guest of the seventeenth district when it meets in monthly session at Pescadero on Friday.

Mrs. Strong will speak on the state theme of "Growth for Understanding in Parents and Citizens."

Cottonmouth Moccasin

The cottonmouth moccasin is a dangerously poisonous snake generally of dark chestnut-brown with some darker barring and with yellowish-white stripes on the head and throat. The common name of this snake refers to the white lining of the mouth, which it is said to display before biting. Cottonmouths may attain a length of four feet. They are not aggressive and most cases of snake bite in which they are involved are due to the reptiles being stepped on.

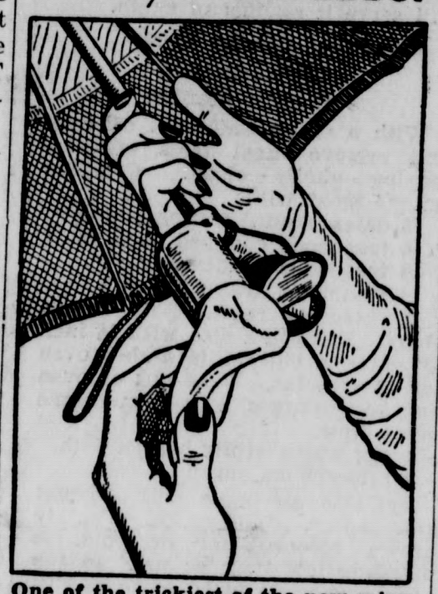
Neptune's Racecourse

Omey island, a short distance off the west coast of Ireland, is not an island at all at low tide. Then it is connected with the mainland by a bed of sand packed so hard and smooth that horse and cycle races are frequently held where the sea has rolled only a few hours before.

Cartwheel Boxes

Hat brims mushroomed out to such proportions this year they outgrew their boxes so a smart manufacturer thought up the cartwheel box. This one has top and bottom of chintz treated with koroseal to make it dust proof, moisture proof, mildew proof and cleanable with soap and water. Coat hangers and various utility boxes may be had in matching chintz.

Tricky Umbrubber



One of the trickiest of the new rainy day gadgets is the umbrubber, a parasol with a cleverly designed handle into which a pair of rubbers is tucked. The parasol is made of light weight koroseal-coated silk, the coating making it mildew proof and spot proof as well as water proof. Parasols are shown in colors to match raincoats of the same material.

Girl Telephone Employees

The telephone company states that although male operators were used when switchboards were first put into service, it was soon found that the temperaments of men were not suited to such work, so in a comparatively short time they were replaced by girls. Since that time it has been the policy of companies to employ only girls.

Colma News By GENEVIEVE PRICE

Miss Florine Capurro and a party of friends attended the Stanford-Santa Clara game, Saturday afternoon.

Darlene Borris recently celebrated her ninth birthday at a party given in her home, Colma.

Fred Lane, Carl King, and Al Edler left early Sunday morning for a fishing trip. The trio went to China camp.

Mrs. Victor Capurro was hostess to Mr. and Mrs. Louis Crescreo and son Alfred, Wednesday evening. The guests were entertained at cards and refreshments were served afterwards.

Mr. and Mrs. A. Hollingsworth and daughter Muriel, Ed Weisenburger, Mr. and Mrs. M. Jensen, and Mr. and Mrs. John H. Price attended the regular meeting of San Jose Bethel, Order of Jobs Daughters, Saturday evening.

Mrs. Angeline DeMartini and daughter Norma, San Francisco, were the guests of Mr. and Mrs. Victor Capurro last week.

Mr. and Mrs. C. E. Lowe went fishing, Saturday, at Salada beach.

Miss Eleanor Price was the honored guest at a dinner party, Saturday evening. Miss Price and her party of friends dined at the Rivera, and later attended the U. S. F. rally dance.

The Ladies Home Club of Colma will hold their regular monthly whist party, October 22. Playing will begin at 2 p. m. and will be held at the Women's club on Werner avenue. Mrs. Mary Conserva, Mrs. Anita Degliantoni, and Mrs. May Daves will be in charge of the event, and promise a grand time to all who attend. There will be a cash first prize as well as many other beautiful gifts. After the game free refreshments will be served to all players.

Miss Barbara Biagini was hostess to a number of little friends at her home, Saturday, October 5, in honor of her eighth birthday. Refreshments were served on a beautifully decorated table of pink, aqua blue and white.

The little friends who wished Barbara a "Happy Birthday" were Betty Zraggen, Ada Johnson, Lani Strong, Eleanor Figone, Molly and Gertrude Eberle, Angelo Gianni, Elaine Pinasco, Velma Rossi, Nancy Pera, Harold Callan, Richard Micheletti, Adolph Klein, Mabel and Elsie Garibaldi and Alberta Tuccori. Birthdays of the Week

A Supreme court justice and a retired admiral of the U. S. navy will observe their birthdays this week. Associate Justice William O. Douglas will still remain the "youngster" of the Supreme court when he celebrates his forty-second birthday today. Admiral Harry E. Yarnell, former commander of the U. S. Asiatic fleet, will celebrate his seventy-fifth birthday Friday. He retired from his command last November 1.

Republican Labor Leader Speaks In D. C.

Citing labor gains made under Republican governors and presidents, Edward L. Nolan, Special Deputy of the International Bricklayers' Union, described "Labor's Outlook on the Coming Election", Thursday night, before Young Republicans gathered in Theater hall. Nolan declared that at least fifty per cent of labor leaders in the A. F. of L. were supporting Wendell Willkie for President.

Glen Baker, assistant state chairman of the Republican party, introduced the speaker. Joseph Sarto arranged the event, which drew a capacity crowd to the hall. Refreshments were served following the meeting.

THIS WEEK --- At Jefferson Union High School

Sports

Friday night the little men of Jefferson traveled down to Palo Alto to meet the Palo Alto basketballers, in their first league game of the season.

The tens were quite worried for fear the operation on "Brief" Wilson's foot might prove a stumbling point in their line. Wilson didn't let his team down, and was right in their when the whistle blew for the tip-off at 7:30 p. m.

After a harrowing game the Palo Alto ten-centers chalked up a 29-21 victory over Jeff's five players.

Rerecich, center, brought all of the honors in the game by scoring four baskets, one of which was made on a free throw.

The starting line-up was as follows: RF, George Wilson; LF, Bob Bybee; C, John Rerecich; RG, Eldon Priziborowski; LG, Ed Cavagnaro.

The loss of two of the "twenties" best men proved to be fatal to the team. They took a beating to the tune of 19-31. McHugh and Kielwasser were both disqualified because of not being able to make the weight.

The game was left entirely in the hands of Bob Wright, who was shifted to center, and Joe Battagliere, who played guard.

High man of the evening was Riordan, forward, who did more than his share by bringing in four baskets.

The boys were lined up as follows: RF, Ed Bittencourt; LF, Bob Riordan; C, Bob Wright; RG, Richard Harmon; LG, Joe Battagleri.

The other players who made a hard try to bring victory to Jeff were Liepscher, Brown, Bolger and Snow.

GPAL

Two of Jefferson's girls participated in the business meeting held yesterday at Burlingame. Earlyn Barker is secretary of the GPAL and Shirley Jones is manager.

A playday is planned for October 23 on the Burlingame field. From all of the rumors, the Jeff girls intend to bring hockey victory to Jeff.

Miss Juanita Young, Jefferson instructor, stated today that a swimming playday will be held very soon. The archery people are in hopes of entering the Nation Telegraph meet, and Tennis matches begin, October 23, according to Miss Young.

Friday saw the GPAL girls represented at the game. As usual they held their regular consession of ice cream and candy. Miss Betty Morris was at the head of the consession with Misses Beatrice Putnan, Barbara Foreman and Verna Flatt assisting.

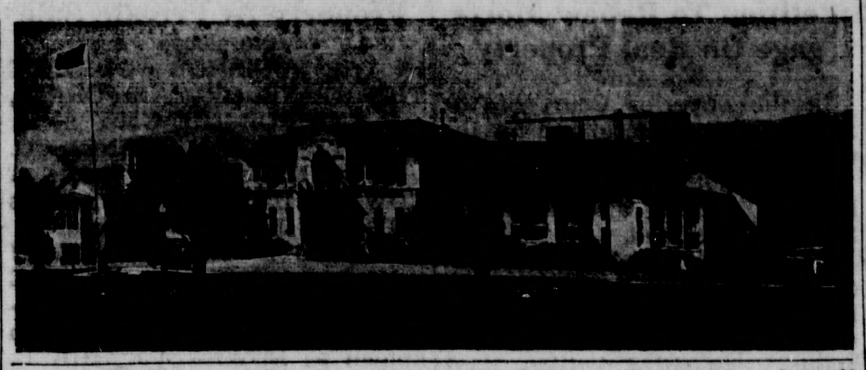
Music

With the traditional beat of tomtoms and that old favorite, the "Jefferson Fight" song, one of the biggest and best rallies was staged in the gym, Friday.

With the help of Oscar Busch and his band of twenty-five members, the yell-leader and his three assistants, Dante Lembi and his Indians of Rhythm, the rally couldn't help being a success.

One of the featured artists on the program was a cute little girl named Mary Sue Denton, who was dressed like a football player and sang "You've Got to be a Football Hero." Lembi and his swing band hit up two hot numbers, "The Sergeant was Shy," and a "Football Medley."

The people who participated in the swing band included: R. Shinazzy, Tommy Beeson, Marsili and Bob Seiler, all trumpets; Don Thomason, Angelo Ditty, Ray McMillan, Elizabeth Blassman, Lary McKewn and Ralph Hollingsworth, in the saxophone section; Les Whitely on the drums and Eugene McClain at the piano. All of the students are new to the band and the student body was quite proud of them.



The yell leader, Eldon Priziborowski and his three assistants, Tillie Castro, Eddie Zugar and Bessie Pastrikas, deserve a big hand for the way they led their fellow Jeffersonites in the yells. The roof was almost blown off with the noise.

To top the rally off, Coach Louis Tsoutsouvas gave the school and the team a swell pep talk.

Classes

Dramatics

"Golden Lady" is the name, Thursday, November 7, the day, and 8:15 p. m. is the time.

Are you wondering what this is all about? Well, just ask anyone in the Dramatics class, and they will tell you that it is their annual Armistice day play.

The cast was chosen last week with the following students taking part:

A mother, Muriel Hollingsworth
Ruth, a girl, Adel Menjou
Bill, a former soldier, James Nazworthy
A son, Bill Clement
News boy, Andrew Parodi

The students are quite proud of the fact that this play was first presented in the Hollywood bowl in 1938, with topnotch actors in the cast. Besides being one of the finest plays, this is the first time it ever has been attempted by a high school group.

CSF

The main business of the regular CSF meeting, Wednesday, was initiation. The new members better look out for the members are planning a wild time.

Eugene McClain brought up the suggestion of obtaining a new dictionary for the C. S. F. room. This suggestion was put in the form of a motion and a new dictionary will be purchased.

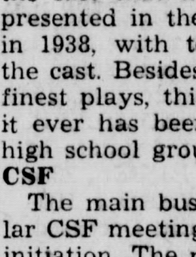
COLOR WEEK

Color week was a huge success as every member of the student body participated by either wearing caps, sweaters, or dresses in the traditional school colors.

The most outstanding group who participated in holding Jeff's colors high were the Star Dusters. All dressed alike in white skirts, they had little bows of purple and gold sewed all over their outfits.

The idea of Color Week, for Jefferson, was brought up in the executive meeting by two popular boys, Bob Capps and John Razzari. This brain child of Capps and Razzari met with such wild enthusiasm that it will become an annual event.

Campus Fashions



Well "Teenster" here we go with this weeks smart fashion tip. It isn't a new outfit, it isn't shoes and it isn't hair. Nope, it's that old dress that we have been neglecting lately.

"Now take that old black dress, it's in good condition," says mother. "I don't see why you need another." She is right. You don't need another, but you can make your friends think that you have a new one.

Have you ever had an urge to get in and rearrange your closet or dresser drawers from top to bottom? It looks a hundred per cent better afterwards, doesn't it? Well, why don't you try changing your old clothes from top to bottom. Remove that sloppy collar and accentuate the dress with accessories in those new delicious colors of fez red, spice tan, purple plum and those lovely essential colors, odessy blue and bronze green.

Ummm! A new luscious, and almost good enough to eat, combination is a big squashy bag of fez red, with a little turban and gloves to match. If you are fortunate enough to be blessed with a small waist, why not get one of those broad belts of suede or very soft leather?

Say! Can you imagine wearing twelve feet of beads, at once? Yes, I said twelve feet, (four yards). This length of rose gold and green gold beads are wound round and round, and then round some more. Heavy to wear, but worth it in effect.

To be a little more practical for school, the fashion experts have made the cutest beads that just match your tweed and tailored clothes. The necklace is made of buttons covered with tweed and strung on a wool string. Now you may think this sounds crazy, but believe it or not your favorite shops are doing this to complete their sports wear to a "T."

This week's fashion bouquet is handed to a little Scotch Miss. Attired in a becoming Scotch plaid dress of warming red, she had a narrow leather belt encircling and accenting her waist.

What caught my eye at first, was the darling dimples which looked so cute every time she smiled. Why, of course, who else do you think I could be talking about? None other than that popular Miss Violet Bullo, "Pudge" to you.

Chewing Gum Base

The basic gum entering into the manufacture of chewing gum is chicle obtained by coagulating the milk, or latex, of the Sapota tree of Central America.

Peanut Prosperity

Thousands of pigs are now rooting for a living in the peanut fields of the South, declares the Country Home magazine. Farmers around Headland, Ala., grow one acre each of grass, oats and soybean pasture, and 5 acres of peanuts for every sow and her two yearly litters of pigs. The only additional requirement is 10 bushels of corn and 150 pounds of mineral supplement to finish fattening the porkers. Disease is avoided by having no permanent hog houses and no permanent shade. Temporary shelters are provided in hot weather, and temporary windbreaks when it is cold.

'Unfinished Business'

In a study of "Unfinished Business" in America, one authority reports that 200,000 railroad grade crossings are yet to be eliminated, 20,000,000 families are still without telephones, one out of five families lacks a radio, and only 38 per cent of U. S. water power is developed.

Fireproofed Cotton Insulation

The possible use of fireproofed cotton as an insulating material in the construction of homes, office buildings, and other structures has been suggested in Texas, where such a process has been developed.

Record Size Salmon

The largest salmon ever caught in southeastern Alaska weighed 130 pounds. The fish was 53½ inches long and 36½ inches around. It was caught in a net. The previous record salmon weighed 116 pounds.

Jefferson School

First Grade

Thursday afternoons bring a special treat to the children of the first grade. They listen to numerous records in their music appretion period.

They skip to the tune of Rubenstein's "Barcarollo," march to the "March of the Dwarfs" and listen to the rhythm of "Polly Put the Kettle On."

Fifth Graders Quiz

Each week the fifth graders hold a "Professor Quiz" program during the social science period. Ten volunteers offer to answer any question that Professor Quiz, and his committee of children, have written on slips of paper.

Questions are planned ahead, and relate to all subjects studied during the semester. This program stimulates the children to review, and makes drill work a pleasure.

Of coures, everyone works hard to make the highest score. Peter Ratto made the highest score last week, and David McCahon acted as Professor Quiz.

Lora Barghini will act as Professor Quiz, for this week, and her committee will be Mary Ann Bartels and Leland Micheletti.

Sixth Grade

Excitement ran high during a nature study discussion in the sixth grade last week, for Evo Martini brought an unusual and queer visitor to school. It was a big, black, and very much alive, tarantula in a glass jar.

So great was the interest centered upon this tarantula, that the how, why, when, and wherefore about tarantulas and their existence became a very meaningful discussion.

Seventh Has Posters

Jefferson seventh graders are delighted with the new Saftey First posters that are received monthly from the California Automobile association.

This month's slogan is "Cross With the Signals." During the discussion, a number of students contributed their ideas as to the meaning of this poster. These children feel that it is their duty to be cautions at all times and all places.

Safety education is character training, and Jefferson is teaching the future citizens a better way "to play, to do, and to live."

New Pupils

This semester a number of new pupils enrolled at Jefferson school.

Following are their names, their grade, and the city from which they came:

Donna Davis, low eighth, San Francisco; Richard Remillong, high sixth, San Francisco; Dolores Remillong, high fifth, San Francisco; Betty Gillo, high fourth, San Francisco; Walter Worth, low fourth, Tulare; Alex Aratri, low fourth, Chicago; Danold Bauer, high second, San Francisco; Betty Bauer, low second, San Francisco; Richard Worth, low second, Tulare; Eleanor Brown, low first, Colma; Billy Glynn, low first, San Francisco; Bobby Giorni, low first, Colma; Teddy Welp, low first, Colma., and Angelo Squeri, low first, Colma.

Kindergarten Prepares For Hallowe'en

Jefferson kindergarten boys and girls have finished the Indian teepee and took their Indian head pieces home. Now they are beginning the work of decorating their room in preparation for Hallowe'en. Pumpkins and black cats are everywhere. Hallowe'en songs are being learned and a great deal of fun is being shared by all of the children, according to their teacher.

Even Andy, the children's turtle, seems to know there is some unusual excitement in the air.

New Classmates

Fifteen children entered school for the first time this semester at Jefferson kindergarten.

They are: Maryann Eberle, Verna Rossi, Ronald Cecchi, Louis Cortopassi, Paul Del Braccio, Paul De Martini, Bryon Epidendio, Gilbert Fontana, Bobby Garibaldi, Bobby Golobic, Elio Guisti, Richard Schenone, Alfred Schenoni, Bobby Swan, and Sylvia Tardito.

SUNDAY SCHOOL

Joy Boys Remodel Sunday Classroom

Joy Boys Sunday School class was busy after school last Wednesday evening, working on their "glass house" classroom at Grace Nazarene church.

New desk arms for the seats, installation of a blackboard and the application of a new "stained-glass" color process to the ten windows will add much to the room. A project table in the center will make possible graphic illustrations of each week's lesson-story.

Officers of the class, which functions as a social group, are: Bobby Thompson, high chief; Leroy Davis, scroller; Richard Raanes, treasure master. Members include Rodney Duffy, Leslie Bock, Dickie Hovey, Paul Wilbanks, John McCandlish, Bobby Donnelly, Frankie Shreve and Buddy Rud. Joseph Straughan is class instructor and advisor.

When the class convenes, officers don special regalia and all members special insignia to indicate how far each one has progressed in religious instruction. The officers conduct both opening and closing ceremonies.

The class is limited to fourteen members, between nine and ten years. At present there are three vacancies, but it is expected that the present rally month drive will provide a large waiting list for this popular boys' class.

Home of the 'Angels'

If you are of the English-speaking race, Sweden invites you to see little Angelholm on the Romnea river. This is where the Angels came from who gave their name to England, the folk whom the pun of Pope Gregory I made into angels.

Not So Bad

The Melbourne, Australia, government is convinced that traffic and driving instructions offered in a humorous vein are more effective than the usual type. With every driving license now granted is provided a book entitled "Many Happy Returns," containing instructions like the following: "It isn't your fault if all the other road users are completely daft, but it is your fault if you aren't prepared for them to be so."

Woodrow Wilson Elementary School

Low And High Fifth

Last Saturday, Neal Moroney and Leroy Greenwood attended the St. Mary's-California football game.

Leroy Greenwood went to Mission Rock, last Sunday, and caught many sharks.

Shirley Miller visited the new zoo, last Sunday, and was quite thrilled with all of the wild animals.

Lorelei and Richard Gamba accompanied their parents, last Sunday, to Santa Rosa.

Room 15

Richard Gamba, the son of Mr. and Mrs. Louis Gamba, 376 San Diego avenue, celebrated his tenth birthday, last Thursday.

Many of Richard's little friends came to help him celebrate his birthday at a party. Among those present were: Lois and June Clarke, Barbara and Darlene Lasher, Lorelei Gamba, Joyce Webb, George Parker, Donald Wright, Billy Bernzott, George Gigli, Leroy Greenwood, Bobby Leahy and Ray Gamba.

Mrs. Virginia Webb and Mrs. Rose Wright assisted Mrs. Gamba in entertaining the children.

High Fifth, Low Sixth

High fifth and low sixth grade students have been curious about the Mexican jumping bean, and what makes it jump, for quite some time. Last week, the students were thrilled to have a jumping bean right in their own class room.

Essays and discussions were held about the bean, and these are what two of the students wrote:

Our Mexican Jumping Bean

The high fifth and low sixth grades were so glad to receive a real Mexican Jumping Bean. The shell was broken when we received it, and do you know what was inside that makes it jump? It's a little worm! When he moves the bean jumps from side to side. On the day when it came, the worm started to spin a covering over the broken place. The next day when we came to school the hole was completely covered by the material the worm had spun.

—By Jerry Dunford.

The Jumping Bean

A jump! A jump! Then I broke,
I spun a web to keep me warm,
I went to sleep and when I woke,
I was in a cozy, little room
With lots of children looking at me.

—By Jimmy Pedersen.

Girl Scout Committee Endorses "Tree Planting"

Daly City Girl Scout committee endorsed the recently proposed "tree planting" program at their regular meeting, Friday evening, at the local WPA Recreation offices. Mrs. Paul G. Selmi, chairman of the committee, plans to attend the mass meeting tomorrow night as delegate.

The Girl Scout cookie sale will be conducted October 26 to November 2. Funds will be used for the Christmas tree party and summer camp.

The committee discussed plans for obtaining fire-prevention motion pictures for the troops. Next meeting will be held November 8, at 7:30 p. m., at 101 Parkview avenue.

Present were the new leaders of Girl Scout Troop No. 2, Mrs. Lyla Eldrup, and her assistant, Miss Betty Talmadge; Mrs. Lucille Lemon, leader of Troop 4; Mrs. Frances Leach, Brownie leader, and Mrs. Carol Patrick, her assistant; Mrs. Mary Crane, Mrs. Emma Sorg, Mrs. Emily MonSanto, Mrs. Paul G. Selmi, Mrs. A. M. Harrison and Mrs. Evelyn Mosman.

Youthful Chefs Enjoy Own Cooking

Weilding enthusiastic frying pans over the glowing embers of a barbecue pit, youthful chefs of Cub Pack No. 141 enjoyed a feast of their own making Thursday afternoon at Bodien park.

Hot dogs, hamburgers, potatoes, sandwiches, soup, fruit and marshmallows—ashes and all—were enjoyed by a crowd already made hungry by an hour's hard work in the Scout gardens.

Cubs in on the fun included Keith Claussen, Bobby Thompson, Leslie Bock, Bobby Donnelly and Harry McCune. Candidates were Frankie Shreve, Freddy Bigozzi, Buddy Rud and Jack Willis.

Joseph Straughan, cubmaster who directed the affair, said another get-to-gether was planned for the near future.

Old Spanish Building

Flat Spanish bricks from the first white man's building in Washington state, erected by the Spanish commander Eliza in 1792, may be seen by tourists on the banks of a creek flowing through the Makah Indian reservation.

Yes indeed, a 1941 C.P. Gas Range will bring many new Cooking Pleasures every day from the very first day you start cooking the new way.

Faster cooking on top burners and in the oven, or slow simmer cooking to tenderize vegetables and keep healthful mineral salts from boiling away. Smokeless broiling of steaks and chops will be a frequent delight to the appetite. Self-lighting top burners end need for using countless matches.

Enjoy these Cooking Pleasures in your kitchen. Trade in your old stove now while the Twenty Dollar trade-in allowance is still in effect. Act quick—Save this money.

This $20 Trade-in Offer applies to all makes of Gas Ranges listed herewith that sell for $129.50 or more. However, C.P. models are not available in all makes. • BUCK'S • CHAMBERS • ENTERPRISE • ESTATE FLORENCE • GAFFERS & SATTLER • MAGIC CHEF • NORGE • OCCIDENTAL ODIN • ROPER • SPARK • TAPPAN • UNIVERSAL • WEDGEWOOD
